

MAATA HONORS & AWARDS ADDENDUM

Re. 1/3/18

The intent of this form is to allow you to add new information to your already existing MAATA Honors & Awards Candidate Profile with ease. While new information is not required to be reconsidered, we realize that candidates may have had made contributions that have further impacted the profession since the last time they were nominated for an award. This form is not required for reconsideration, but it is strongly recommended. If you have no new additions, please see the bottom of this form and (1) indicate whether you've made any changes to your existing candidate profile, (2) sign and date the form at the bottom and return to the address noted below. If you do have new additions, please include any new service or leadership roles, academic or professional contributions, etc. in the categories below as applicable; indicate whether you've made any changes to your existing candidate profile. This form must be completed and received no later than 11/30 of this year.
